MEMORANDUM FOR: Acting Chief, Far East Division

SUBJECT: Air Support Cost

REFERENCE: Memorandum to AC/DPD from AC/FE,  
subject: Air Support Cost; dated  
10 November 1959

1. In compliance with your request contained in the above reference the following information is herewith submitted.

2. All flying hour costs have been computed on flying time necessary to accomplish the requirements presented in Book Dispatch Number 1389, Headquarters File 121-132-20/3, dated 18 August 1959. Certain changes in this dispatch have been coordinated with [redacted] 25X1A

25X1A [redacted]  
3. The usual 10% overrun has not been included in the total estimated flying hour costs for the two projects. It is suggested that if these figures are to be presented as a realistic cost a 10% overrun should be included.
